

Future Leaders Fellowships Round 10 – Application caps for academic host organisations

To ensure funding decisions can be delivered in a reasonable timescale without overloading our research and innovation community with peer review, academic institutions are asked to prioritise the number of applications they submit to this funding opportunity, with the maximum number of applications permitted per organisation outlined in the table in Annex A.

The Medical Research Council (MRC) is providing additional funding to the UK Research and Innovation Future Leaders Fellowships (FLF) scheme, to support Clinical FLFs. The expanded MRC funding will come with the opportunity for host organisations to nominate additional clinicians, expanding their demand management cap, allowing more clinical researchers to secure a fellowship at a critical career stage. Academic institutions can continue to nominate clinicians within their existing allocation cap, but are allowed to go above this cap, as outlined in the table below.

More information on the definition of a Clinical FLF can be found in Annex B.

Grouping	Number of FTE Staff submitted to the REF 2021	Number of organisations	Number of applications permitted for R10	Additional Clinical applications permitted
1	>2000	5	10	+2
2	1400-1999	8	8	+2
3	1000 - 1399	9	6	+1
4	600-999	19	4	+1
5	400-599	21	3	+1
6	<400	95	2	+1

Annex A – Maximum Number of Applications to Round 10 of the FLF scheme per HEI

These figures have been calculated based on submissions to the 2021 Research Excellence Framework (REF) with the number of FLF applications permitted related to the FTE staff numbers included within each institutions REF submission as follows:

Academic organisations who did not submit to the REF and are therefore not listed in the table below are permitted to submit a maximum of 2 applications to this funding opportunity with the exception of <u>eligible research institutes</u> who are not subject to this application cap.

Cap updated for City St George's, University of London. City, University of London and St George's Hospital Medical School have merged into one organisation.

Annex B - Clinical FLF Definition

To qualify as a Clinical FLF and the enhanced cap:

- 1. Applicants must:
 - be a registered healthcare professional*
 - intend to be clinically active
 - have completed a PhD or equivalent
- 2. Applications must align to the MRC's core remit of biomedical discovery and early translation to improve human health.
 - Researchers seeking support for more advanced <u>translational</u>, <u>clinical and applied health and social care research</u> should consider the aligned National Institute of Health and Care Research (NIHR) Clinical Future Leader Fellowship.
- 3. Applicants must add "CFLF:" to the beginning of their project title.
- * This includes, but is not limited to:
- nurses
- midwives
- allied health professionals
- healthcare scientists
- pharmacists
- clinical psychologists
- doctors
- dentists
- general practitioners
- veterinarians
- Medical and dental graduates: Medical or dental graduates should have specialty registrar or consultant status or be at the equivalent level in general practice. If you have not completed your specialty training, you must have plans in place for doing so and have consulted your deanery before applying.
- **Non-medical healthcare professionals**: For non-medical healthcare professionals, you must have completed your professional training.
- Veterinarians: If you are a veterinarian, you may apply if you are a registered vet and a
 member of the Royal College of Veterinary Surgeons. Your proposed project must be
 relevant to human health.
